

the public hearing notice under this new name or would you leave that alone too until next year? I'm not fighting it, it's just a question because it could be confusing.

SENATOR WESELY: I think, Senator Haberman, what we're talking about is implementing the change as best we can right now and letting the stationery and whatever is printed run out. But for the hearings it's Health and Human Services, so that's...it's Health and Public, well, it's Public Health and Welfare, so Health and Human Services is pretty close. I don't think they will get confused, I really don't. And I want to make something clear on the intent as Senator Beyer said, Senator Higgins, Senator Marsh, the intent would be not to have new stationery printed up with this name and throw out the old, but just when we run out of the old, we'll make the change.

PRESIDENT: Very well, is that your closing, Senator? All right, all those in favor of the Wesely proposal vote aye, opposed vote nay. Please record your vote if you wish to vote, 25 votes required on the Wesely proposal. Have you all voted? Record the vote, Mr. Clerk.
